

Your bodies are temples of the Holy Spirit, who is in you, whom you have received from God? You are not your own; you were bought at a price. Therefore honor God with your bodies.

1 Corinthians 6:19-20

Honorable Chair, fellow delegates and distinguished guests,

The chastity project representative welcomes all the present delegations and thanks their participation.

Taking into account the second topic: Sexual education programs for vulnerable communities in developing countries. The representative considers that this kind of education is unnecessary not just for girls and women but for everyone, if we really want to spread chastity and Purity we should not give this kind of education that incites to sin.

Why should we teach this kind of education if according to the holy bible women should only be pure, workers at home, kind, be subject to their own husbands, this way the word of God may not be dishonored, so according to this which one is the purpose of implementing this programs if it is not God's plan.

Thank you
